

ABOUT ANGEL MOUNDS CROSS COUNTRY COURSE:

Located on the banks of the Ohio River in southwest Indiana, Angel Mounds is on the site of a historic Mississippian Native American village. Within its nearly 600 acres, Angel Mounds is home to an interpretive center, nature preserve, hiking and biking trails, an 18-hole disk golf course, and a top-tier cross country course. Angel Mounds State Historic Site is home to the cross country programs at both the University of Evansville and the University of Southern Indiana.

ABOUT THE COURSE:

The fast nearly flat course is divided into 2k and 3k loops to accommodate the women's 6k course and the men's 8k course. With a less than 11 ft change in elevation throughout the course, the average slope incline is .7% and the average slope decline is .6%. The race course area is entirely enclosed, primarily through an open area, and has a wide course track.
